

## **Exotic Beam Summer School**

August 4 - 11, 2012

This year's Exotic Beam Summer School will be held at Argonne National Laboratory, August 4-11, 2012. Applications for the school are now being accepted, and those interested in applying should go to [http://www.dep.anl.gov/p\\_graduate/ebss/](http://www.dep.anl.gov/p_graduate/ebss/) to complete the application process. **Applications will be accepted through May 15, 2011.**

In addition, the conference Nuclear Structure 2012 (NS12) is being held at ANL and will take place the week following the school, and students attending the school may wish to attend the conference as well.
