

Second Circular

French-Japanese Symposium on Nuclear Structure Problems
-Organized in the framework of FJNSP LIA -

September 30 - October 3
Paris, France

1. PURPOSE

The French-Japanese Symposium on Nuclear Structure Problems will be held in Paris from September 30th to October 3rd, 2013. Based on a long and successful history of collaboration between France and Japan in the field of nuclear physics, and following a series of symposia held since the 1970's, the symposium will cover the following topics:

- Structure of exotic nuclei,
- Nuclear reactions of stable and unstable nuclei,
- Nuclear astrophysics,
- Super-heavy elements,
- New facilities and equipment,
- Related topics...

On-going and planned collaborations will also be discussed.

The Symposium will be organized on the basis of FJNSP LIA (French Japanese Nuclear Structure Problems International Associated Laboratory).

Details regarding the symposium will be uploaded at: <http://ribf.riken.jp/LIA/index.html>

3. FORMAT

Sessions will be held in mornings and afternoons from Monday morning, September 30th, through Thursday morning, October 3rd. The Conference venue will be the CNRS auditorium, 3 Rue Michel-Ange, 75016 Paris.

4. CONTRIBUTIONS

Beyond invited talks, oral contributions will be selected from submitted abstracts. The abstract files, limited to a maximum of one page, must be submitted before May 15th, 2013 to catherine.desailly@cea.fr

5. REGISTRATION

The deadline for final registration is July 15th.
The registration form is available at the end of this circular.
Please send your registration form by email to catherine.desailly@cea.fr

6. ACCOMMODATION

Several hotels located nearby the Symposium site are listed in the registration form. You are kindly requested to make your hotel reservation by email as soon as possible, and in any case before August 15. You should mention that the reservation is for the "LIA Symposium" in your email. You may also choose your preferred hotel in Paris. For cheaper accommodation, a block of 20 rooms has been pre-reserved until September 15 at Hotel d'Orsay at the cost of 75€ (single)/85€ (twin) including breakfast. Note that it takes approximately one hour to go from Hotel d'Orsay to CNRS, with RER B and metro.

7. GRANTS

Japanese LIA budget will support travels (including daily allowance) of a part of Japanese delegation. Please contact Tohru Motobayashi to apply for this support.
