

Dear colleagues,

SAMURAI International Workshop 2012

September 10, 2012 @ Science seminar house in Kyoto University

This is the second announcement for "SAMURAI International Collaboration Workshop 2012" which will be held on September 10, 2012 at Kyoto University.

As announced in the 1st circular, those who are interested in SAMURAI experiments, especially who plan to submit an experimental proposal to the coming 12th NP-PAC in December 2012, are strongly encouraged to give a presentation at the workshop.

We set the deadline for an abstract submission to be August 15. Please send your manuscript in one-page by Word or LaTeX format to the workshop email address:
